Exploring Our Proud Heritage

For NCW, the WCCC has posted posters in The American Legion Post #52 at 307 Mamaroneck Road, Scarsdale, New York.

We will try to obtain a proclamation from the Mayor.

At the clubs April meeting, we are asking all members to bring in their children or friends children from the ages of 9 to 17 years old, where the club will hold a special meeting with talks from club members just for the youngsters, and each member will be bringing in a coin or two to hand out to all the children. The club will also be handing out coin books, coin holders and etc. to all in attendance. We hope to get many children involved in coin collecting. We will also be attending the nearby schools to give talks at different classes, and show coin exhibits wherever we can.

This will be just a start for our club, and we will keep you informed of lots of activities we have planned for National Coin Week.
